4th May 2021

Dear Parent/Carer

It is my pleasure to inform you that our Option process for all Year 9 pupils begins today. The booklet that is attached to this letter will hopefully provide all of the information about all of the subjects that we have to offer your child in Years 10 and 11. The booklet includes details of the structure of the courses, as well as providing indications of how they will be formally assessed.

In the past we would have invited all pupils and parents along to our Main Hall and launched the Options window face to face and also held a 'market place' style forum where you could meet the various department leads and ask any questions you had about their courses. In the current climate this is not yet possible, so the presentation was sent out last week and is also available on the school website.

Please take the time to read through the Options Booklet with your son/daughter. There is also a Remote Parents Evening scheduled for next week (Thursday 13th May), which may provide the opportunity for some more subject specific guidance. If you do require any further information, please contact year9options@shavington.academy and we can direct your query to the relevant person here at the Academy who can hopefully address it as quickly as possible.

Once you have made your decisions, please use the link below to complete your submission, by filling out this short online form. The deadline for all Option choices is Wednesday 9th June 2021.
