Dear Parent/Carer,

Thank you for your application and for choosing Shavington Academy. We are delighted that you and your child share the ethos and values of education that we do, and we look forward to your child joining us in September.

As you can appreciate, this is not the letter we expected to send you, as normally, we would be sharing information about our intake days and our intake evening. We are hopeful that these events will take place and we are therefore planning for them, but due to these unprecedented times, we do not know if they will take place. We will therefore be in touch, in the coming months to confirm our arrangements for this.

We know that you and your child will have lots of questions regarding their transition to the Academy and we want to reassure you that we are doing our utmost to ensure your child will have a smooth transition to high school and their next chapter of education. Once we know more about covid restrictions we will endeavour to put a programme together to make sure your child feels happy and supported, with opportunities to make new friends and become familiar with the school, staff and routines.

I will be contacting you again later in the year giving you the opportunity to tell us about any medical conditions or any important information about your child.

We are very excited to welcome you to Shavington Academy and look forward to working with you.

Yours faithfully,

Miss J Hughes and the Shavington Staff
