What is the Safeguarding Group?

The Safeguarding Group will help ensure the safety of all pupils at Shavington Academy. We will look inform students about a range of topics including:

- E-Safety and how to stay safe when using the internet
- What to do if you are experiencing bullying or know someone who is being bullied
- Coping strategies for anxiety
- Self-harm awareness and coping mechanisms
- Dangers of drugs and alcohol
- How to maintain good mental health

If you have experienced any of these you have the power to try and prevent it from happening to anyone else by joining the Safeguarding Group!

Not only will the Safeguarding Group develop your skills in helping and supporting others but also your creative skills!

The Safeguarding Group are looking to publish a monthly newsletter for all students at Shavington

We will also be creating a video to inform everyone at Shavington about how to report any Safeguarding concerns.

These are only a couple of ideas! If you have any suggestions come along to the group and get involved!

Safeguarding Group will run every
Wednesday lunchtime with Miss Carter in
Room H3!

Bring your lunch along with you and I'll
provide the biscuits!

See you there!
